

## **Registration Policy to Meet the Public Interest Commitments**

1. Registry Operator will use only ICANN accredited registrars that are party to the Registrar Accreditation Agreement approved by the ICANN Board of Directors on [date to be determined at time of contracting], 2013(or any subsequent form of Registrar Accreditation Agreement approved by the ICANN Board of Directors) in registering domain names. A list of such registrars shall be maintained by ICANN on ICANN's website.

2. ■ Registry Operator will operate the registry for the TLD in compliance with all commitments, statements of intent and business plans stated in the following sections of Registry Operator's application to ICANN for the TLD, which commitments, statements of intent and business plans are hereby incorporated by reference into this Agreement. Registry Operator's obligations pursuant to this paragraph shall be enforceable by ICANN and through the Public Interest Commitment Dispute Resolution Process established by ICANN ((posted at [url to be inserted when final procedure is adopted])), as it may be amended by ICANN from time to time, the "PICDRP"). Registry Operator shall comply with the PICDRP. Registry Operator agrees to implement and adhere to any remedies ICANN imposes (which may include any reasonable remedy, including for the avoidance of doubt, the termination of the Registry Agreement pursuant to Section 4.3(e) of the Registry Agreement) following a determination by any PICDRP panel and to be bound by any such determination.

3. ■ Registry Operator agrees to perform following specific public interest commitments, which commitments shall be enforceable by ICANN and through the PICDRP. Registry Operator shall comply with the PICDRP. Registry Operator agrees to implement and adhere to any remedies ICANN imposes (which may include any reasonable remedy, including for the avoidance of doubt, the termination of the Registry Agreement pursuant to Section 4.3(e) of the Registry Agreement) following a determination by any PICDRP panel and to be bound by any such determination.

Our proposal to use the gTLD ".政府" is as below: 3.1 Criteria

3.1.1 The strings of the second level name of the gTLD are limited to the strings of the two-letter country code listed in the ISO3166-1. Such as "jp.政府", "cn.政府", "hk.政府".

3.1.2 Countries or territories listed in the ISO3166-1 are eligible to apply for the second level name of the gTLD. Operation of the second level name will be delegated to the applicant if approved.

3.1.3 The third level registration under .政府 will be limited to governmental organizations, or public institutions.

3.2 Verification Process

3.2.1 Application for applying for the second level name of the gTLD should attach documentation of support from all relevant governments or public authorities. The documentation of support must evidence support from "the relevant government or public authority." This is defined as a signed letter of support, from the Minister with the portfolio responsible for domain name administration, ICT, foreign affairs or Office of the Prime Minister or President; or from a senior representative of the agency or department responsible for domain name administration, ICT, Foreign Affairs or the Office of the Prime Minister. Each letter of support for an applicant must meet the following criteria:

3.2.1.1 Must clearly express the government's or public authority's support the applicant's application.

3.2.1.2 Demonstrate the government's or public authority's understanding of the string being requested.

3.2.1.3 Demonstrate the government's or public authority's understanding that the third level registration under .政府 will be limited to governmental organizations, or public institutions. The eligibility requirement for the third level registration will be included in the second level delegation agreement.

3.2.2 The gTLD registry retains the right to direct the government delegate to delete the name registered at the third level if it does not meet eligibility criteria.
